AUA WORTHY STUDENT SCHOLARSHIP APPLICATION FORM

AUA recognizes that there are worthy students from different areas in Africa who, despite their will and strong commitment to learning, do not have adequate financial resources to complete a graduate program on their own and, therefore, need financial support to reach their educational goals.

In response to this need, AUA has developed a scholarship fund from the generous support of donors. This fund is made available to any student registered at AUA who fulfills the guidelines stated in Section A of this document.

Since the fund is limited, scholarships can only be granted to students who have applied using this Application Form and by the annual deadlines of 31 January and 31 July.

After the Application Form is completed, it should be submitted to the Dean of the applicant’s School as follows:

- Dean Sampson Nwaomah, Theological Seminary at nwaomahs@aua.ac.ke
- Dean Daniel Ganu, School of Postgraduate Studies at ganud@aua.ac.ke

The Deans will review applications and submit them to the AUA Worthy Student Scholarship Committee for consideration. All Committee recommendations go to the AUA Administrative Committee for final approval or denial. The awarding of scholarships is strictly based on the Guidelines. Therefore, students are encouraged to read these Guidelines carefully PRIOR to completing the Scholarship Application Form.
